## ABOUT OUR FARM

The Excelsior Farm is a 5 acre farm located Southeast of Eugene. Founded in 2009 to provide fresh, sustainably grown artisan produce to the Excelsior Restaurant and Ciao Pizza, we now grow for other local restaurants, the downtown farmers market and our Harvest Basket program. We provide a variety of fresh vegetables, fruits, berries, herbs, eggs, preserves and bread. The Excelsior Inn is just one example of our dedication to the Slow Food movement. We believe in preserving the tradition of making handmade artisanal cuisine, and sharing it with the people that we care about.
